4. FORMAT

- A. All matches will consist of singles only.
- B. In each fixture the games are match play played with the application of handicap. In each playing group there will be 2 singles matches. Therefore 2 points played for in each group for a total of 4 points in the match. The lower course handicap in each match will give the difference in shots to the higher course handicap player. If the match has a female and a male player, the player receiving the shots will take these on the appropriate holes of their card. The match is score vs. score (less a shot if given) on each hole. Where a female and male play and there is a difference in par (eg par 4 vs par 5) the hole is still decided score vs the score. The variation in par on the odd hole is accounted for by WHS and the course rating, and the resultant course handicap.
- C. Caddies are permitted, their role to help with the pace of play and rules of the game. Advice as defined in the Rules of Golf is only to be given by the Team Manager.

- D. Team order is determined by handicap index, the lowest index playing in the No.1 position and so on. If two players have the same index the team Manager will decide in which order they play. After entering the order this will remain even if handicap indexes change prior to match day.
- E. The number 4 player will tee off first. Golf Wellington will advise the Tees for each course.
- F. Pace of play should be monitored at all times. The “loss of a hole” with the group in front, will result in a first warning. If the gap is not reduced, players may be instructed to walk a hole.

5. ROUND ROBIN & FINAL

- A. At the completion of the round robin series, teams will compete in the final as follows:-
 - I. Semi Finals – Q1 vs. Q4, Q2 vs. Q3. In the event at the conclusion of the round robin of two or more teams finishing on the same number of points, the team with the higher number of points scored against the tied team(s) will be deemed the higher finisher. If there is still a tie, the separation will be determined firstly by the team with the higher number of singles wins during the round robin, secondly by the highest number of wins in the No.1 position descending through the order till a winner is found. Following this by lot.
 - II. If there is a draw in the semi or final, the fixture shall be decided the No.1 player in each team contesting a sudden death play-off, commencing from the original starting hole.
